

PRE OP CARE

Unsedated Prolotherapy

For greater pain management, Metro Pain Group recommends that patients obtain either of the following medications prior to their procedure. These can be purchased over the counter without a prescription and need to be applied with a minimum of two hours before **admission** time.

OPTION 1. Nervoderm™

- 5% Local Anaesthetic
- Comes in 5pk
- Doctors are ok with generic brands if available

OPTION 2. Soov™ Cream/Gel

- 5% Local Anaesthetic

FOR ANY CLARIFICATION OR CONCERNS RELATED TO THE PROCEDURE:
Please phone: 03 9595 6111 (during clinic hours) | E-mail: nurses@metropain.com.au
